

Dear future sponsor,

On behalf of the players and management of the FIGS Baseball Prospects team, it is with a great sense of hope that we write this letter to you. The main aim of this letter is to request for your corporate or individual sponsorship of our baseball team.

The coaching staff has more than 40 years of coaching experience and are motivated in developing these young players into great athletes and more importantly, into great members of their community.

The thrust of the team is to instill in these young adults the value of sportsmanship, teamwork, and fair competition. Yearly, the team enters into as much competition as we can afford to enhance the skills of the team members.

There are several tournaments scheduled this summer in which our boys have been invited to and have the opportunity to be a part of. With your donations, our boys will be able to play in these tournaments.

We are seeking donations to keep the FIGS Baseball Prospects team active and alive. Time is limited as our next tournament is scheduled and is right around the corner. Would you consider making a donation to our team?

If you have any questions, please do not hesitate to contact me. I can be reached via e-mail at Jose.figueroa@figsbaseball.com

We thank you in anticipation of your positive response.

Hoping to hear from you soon!

Yours truly,

Jose Figueroa
Team manager
